

## QUICK-GRIP®

In 1986 Joe Sorensen, an air boat builder in Nebraska, USA was looking for a better way to hold down his steel panels as the clamps he was using twisted the thin steel as he worked.

With a good idea for a new style of clamping, the concept for a pistol grip one-handed bar clamp was born. This revolutionary tool was quickly patented and brought to market in 1989 with a full line of clamps under the QUICK-GRIP® brand name. The line was later extended from the Original clamp to the Micro, Mini, Handi, Quick-Change, and more recently the XP clamp.

Since the launch, IRWIN® Quick-Grip® has become the world leader in one-handed bar clamps and is the industry standard which has changed the way tradespeople do their jobs, greatly improving their ability and efficiency on the job.
