IRWIN 4-Point Snap Blades

IRWIN® 4-Point snap blades combine the toughness of a traditional blade with the functionality of a snap blade. When one edge dulls, just snap the tip for another sharp tip. With four cutting edges, these blades are built to last twice as long as traditional carbon blades.

**Features**

1. Snaps on the score for new sharp tip
2. Four notches for full blade extension

**Bi-Metal Utility Blades**

- Bi-Metal blade stays sharp 3X longer than traditional carbon blades
- Shatter-proof

**Bi-Metal Safety Blades**

- Blunt tips help prevent puncture wounds
- Shatter-proof Bi-Metal blade stays sharp 3X longer than traditional carbon blades
- Speed tip penetrates surfaces easily

Retractable Utility Knives

**PROTOUCH™ RETRACTABLE UTILITY KNIFE**

**FEATURES**

1. Quick-Change blade mechanism
2. Trigger-grip for cutting on the pull
3. Hinged blade storage for up to 10 blades

---

**General Contractor Utility Knife**

1774105 (1782107*)

- Push-and-slide opening for tool-free access
- Removable blade storage housing
- Trigger-grip for cutting on the pull

**Self-Retracting Safety Knife**

2088600

- Self-retracting for safer use
- Thumbscrew for tool-free access
- Optimized cutting angle for reduced hand fatigue

**Hi-Vis Retractable Utility Knife**

2082300

- Optimized cutting angle for reduced hand fatigue
- Smooth, three-position slide exposes variable blade lengths
- Screw permanently captured in casing to prevent loss

**Standard Retractable Utility Knife**

2082101

- Optimized cutting angle for reduced hand fatigue
- Smooth, three-position slide exposes variable blade lengths
- Screw permanently captured in casing to prevent loss

Fixed Utility Knives

Drywall Fixed Utility Knife

1774103 (1782106*)

- Slim nose for greater control
- Thumb-screw for tool-free access
- Trigger-grip for cutting on the pull

Standard Fixed Utility Knife

2081101

- Optimized cutting angle for reduced hand fatigue
- Screw permanently captured in casing to prevent loss

Folding Utility Knife

2089100

- 45° quick-change button for easy blade change
- Wire stripper notch for built-in convenience
- Anchored belt clip for convenient access

Specialty Flooring Knives

Carpet Knife

1774107 (1782109*)

- Thumbscrew for tool-free access
- Angled handle to keep hand above cutting material
- Built-in blade storage

Linoleum Knife

1774108 (1782110*)

- Hardwood handle for increased durability
- Hooked blade for cutting on the pull

Bi-Metal Snap Blades

IRWIN Bi-Metal snap blades are produced through a patented process of combining two types of metal, spring steel and high speed steel, allowing the blade to bend without accidentally breaking. It also ensures that the blade snaps cleanly on the score every time.

**Bi-Metal Snap Blades**

**FEATURES**

1. Snaps cleanly on the score
2. Stays sharp 3X longer than traditional carbon blades
3. Shatter-proof

**18 mm ProTouch™ Snap Knife**

- 2086203
  - **Description**: ProTouch™ handle provides secure grip and comfort
  - **Patented auto blade lock and auto blade load**
  - **Internal blade storage**
